Dave, Lee - Below are the requested talking points to support the Administrator at this Sunday's Western Governors' Association Breakfast Meeting. Please note that R8 will be sending up information on the **Ex. 5 Deliberative Process (DP)**. If needed, we can provide talking points for Idaho, both WQS and NPDES delegation. Thank you to Allison for working closely with the Regions to pull this information together.

Subject: OW Talking Points for Western Governors Association Meeting

The Administrator is scheduled to host the Western Governors Association on Sunday Feb. 25, and I am working with Tate to pull together a set of talking points. So far we expect the governors of Alaska, Colorado, Hawaii, Kansas, Montana, North Dakota, New Mexico, Nevada, Oregon, South Dakota, Utah, Washington, and Wyoming to attend.

Can you send us updated talking points for the meeting on WOTUS, Pebble Mine, state assumption, Puget Sound no discharge zone, conduit theory, water infrastructure, and any other hot-button water issues involving these states? We'd like to get drafts by COB on Wednesday 2/21 if possible. Let Tate and me know if you have questions. Thanks.
